

How to use this document

Naming Things

- Edit the Head/Foot shared layer to set the title document title at the top of the page.
- Rename the canvases to set the page titles
- Drag shared canvases over your working canvas to use a page master (e.g. wireframe or storyboard)

Presentation

- This document was created with dimensions of 22" by 34" so that you may work at 100% and project your schematics at 100% in landscape mode.

Exporting and Printing

- Select menu: File > Export
- From the export dialog:
Select Format: PDF Vector Image
Select Export Area: Entire Document
- Print the PDF, being sure that your Printer Handling options are set to "Scale to fit paper size."
